WINE CARD

ROSE VINO | ROSE WINE

Marijanović Rose, Premium 0,75L

40 KM

HRV - Vrhunsko kvalitetno suho rose vino Marijanović. Proizvodi se od Blatine, autohtone sorte hercegovačke vinske regije. Boja lososa, suptilni okusi arguma i temljne note mediteranskog ploda.

ENG - Top quality dry rose wine Marijanović. It is produced from Blatina, an autochthonous variety of the Herzegovinian wine region. Salmon color, subtle flavors and dark notes of Mediterranean fruit.

BIJELA VINA | WHITE WINE

Carska Žilavka, Premium 0,75L

40 KM

HRV - Autohtona sorta grožđa Hercegovine. Njen neponovljiv okus dobiven je odležavanjem i zrenjem u hrastovim bačvama. Bogate je zlatne boje. Zreli mirisi breskve i kruške, kao da su izmiješani sa aromama vanilije. Svakako je zaobljeno i kompleksno vino.

ENG - Indigenous grape variety of Herzegovina. Its unique taste is obtained by aging and maturing in oak barrels. It is rich in gold. Ripe scents of peach and pear, as if mixed with vanilla aromas. It is certainly a rounded and complex wine.

Marijanović Žilavka Selekcija, Premium 0,75L

58 KM

HRV - Žilavka selekcija Marijanović je vrhunsko bijelo suho vino, zlatne žuto-zelenkaste boje, prepoznatljiva sortnog mirisa, te harmoničnog okusa. Proizvodi se od visokokvalitetne autohtone hercegovačke sorte žilavke uz prateće sorte benu i krkošiju.

ENG - Žilavka selection Marijanović is a top-quality white dry wine, golden yellow-green in color, with a distinctive varietal aroma and harmonious taste. It is produced from a high-quality autochthonous Herzegovinian variety Žilavka with accompanying varieties Ben and Krkošija.

Carska Vina Sophia Cuvée, Special 0,75L

52 KM

HRV - Vrhunski je cuvée dobiven sljublivanjem Žilavke (50%) i Sivog Pinota (50%). Vino je napravljeno sa modernom tehnologijom, gdje je zadržan specifičan južni karakter Žilavke. A sljublivanjem sa Sivim Pinotom ovaj cuvée je dobio note: jabuke, kruške, grejpa i nektarine.

ENG - The top cuvée was obtained by pairing Žilavka (50%) and Pinot Gris (50%). The wine is made with modern technology, where the specific southern character of Žilavka is preserved. And by pairing with Pinot Gris, this cuvée got notes: apples, pears, grapefruit and nectarines.

Kozlović Malvazija, Premium 0,75L

72 KM

HRV - Malvazija Istarska, slamnasto žute boje sa zelenkastim odsjajem, bistro i prilično konzistentno. Na nosu nježna i samozatajna, na nepcu voćna i blago slana, izražene sortnosti i slasnog završetka. Elegantna, harmonična i svježja, srednje jakog tijela i umjerene svježine.

ENG - Istrian (Croatia) Malvasia, straw yellow with a greenish tinge, clear and fairly consistent. Gentle and self-denying on the nose, fruity and slightly salty on the palate, with a pronounced variety and delicious finish. Elegant, harmonious and fresh, medium strong body and moderate freshness.

CRVENA VINA | RED WINE

Carska Blatina, Premium 0,75L

42 KM

HRV - Snažno i svježe suho, crveno vino premium klase. Autohtona sorta grožđa Hercegovine. Boje je tamno rubin crvene, prepoznatljive svojstvene arome, puna i harmonična okusa. Pažljivim njegovanjem kod ove vrhunske blatine uspješno je zadržana njena prepoznatljiva osobnost.

ENG - Strong and fresh dry, premium red wine. Indigenous grape variety of Herzegovina. The color is dark ruby red, recognizable inherent aromas, full and harmonious flavors. Careful nurturing of this top-quality Blatina has successfully retained its recognizable personality.

Marijanović 33 Barrique, Premium 0,75L

80 KM

HRV - 33% Blatina, 33% Cabernet Sauvignon i 33% Syrah. Jedna od najozbiljnijih kupaža kada govorimo o domaćim vinima, nastala u selu Služanj, kod Međugorja. Vino raskošnog mirisa, aroma i dugog završetka. Ručna selekcija grožđa.

ENG - 33% Blatina, 33% Cabernet Sauvignon and 33% Syrah. One of the most serious blends when it comes to domestic wines, originated in the village of Služanj, near Medjugorje. A wine with a luxurious aroma, smell and long finish. Manual selection of grapes.

Carska Vina David Cuvee, Special 0,75L

60 KM

HRV - Vrhunski je cuvée dobiven sljublivanjem Blatine (50%) i Cabernet Sauvignona (50%). Odležalo je 18 mjeseci u bačvama od američkog i slavonskog hrasta.

ENG - The top cuvée was obtained by pairing Blatina (50%) and Cabernet Sauvignon (50%). It aged for 18 months in American and Slavonian oak barrels.

Nuić Trnjak, Premium 0,75L

100 KM

HRV - Najbolji grozdovi Trnjaka, autohtone sorte grožđa Hercegovine, pažljivo su pobrani u jutarnjim satima. Trnjak daje vino jako intenzivne tamne rubin crvene boje. Ima vrlo razvijen i sortno karakterističan miris, te pun i harmoničan okus.

ENG - The best grapes of Trnjak, autochthonous grape varieties of Herzegovina, were carefully picked in the morning. Trnjak gives the wine a very intense dark ruby red color. It has a very developed and varietal characteristic aroma, and a full and harmonious taste.

Gather the courage to try the wine of the indigenous grape variety and discover ...
